

## Electronic Design Company is a complete resource...

- ❖ Our client's vision is the blueprint for each custom project.
- ❖ Our top priority is our client's individualized needs, expectations and goals.
- ❖ We design and install systems that you don't need to worry about- we worry about it for you.
- ❖ We are a loyal partner dedicated to full life cycle support throughout every stage of the system's life cycle.
- ❖ We have over 60 years of experience for critical audio, video and communication systems.

### Our Capabilities

- Public Address Systems
- Emergency Notification/Recorded Messages
- Reporting Software
- Real Time Location Devices
- Error Notification with Remote Access for Service
- Critical Access Hospital Support
- Wireless Device Integration

"Electronic Design Company has been a great partner as a key resource for our Code Blue systems, EMR downtimes and safety alerts. This partnership has spanned more than two decades at Children's Minnesota. I would recommend them to anyone who wants a partner they can trust."

- Patti Elliott Allen, Children's Minnesota
