- Video Camera Design and Installation
- Sound and Video Recording for Live Streaming
- Public Address System
- Acoustic Treatment
- DSP and Mixing Console Design and Installation
- Keeping the Integrity of the Structure

"The sound system is acting in a way where people don't even realize it's there. People can just hear what they need to hear, and it's not overly processed – the presence of the spoken word and the music has been so clear."

- Kevin Rotty, Church the Risen Savior
