- Live and Emergency Recorded Messages
- Fully Supervised Fault Notification and Remote Access
- Digital Signage
- Visual Communication

"When choosing a company to design and install the equipment for our new corporate headquarters, Electronic Design Company was at the top of my list. I've had years of experience working with their knowledgeable and dedicated staff, which gave me the confidence to know they would be able to deliver on my requirements for this project."  
- James Stocco, III, Accraply, Inc
